THE PEOPLE VS. MAXINE LOWE

The People Vs. Maxine Lowe is a courtroom drama on the order of Perry Mason set in the fifties in Oklahoma with all the ingredients for a tense thriller — the murdered man whose life style was questionable; the suspect, his wife, whose past is a mystery; the young earnest defense lawyer on his first major case; the experienced prosecutor, a meticulous and sometimes vicious man; the brilliant assistant prosecutor, a young woman just out of law school. A new twist sends the plot off in an unsuspected direction as the defense begins to break the wall of proof.

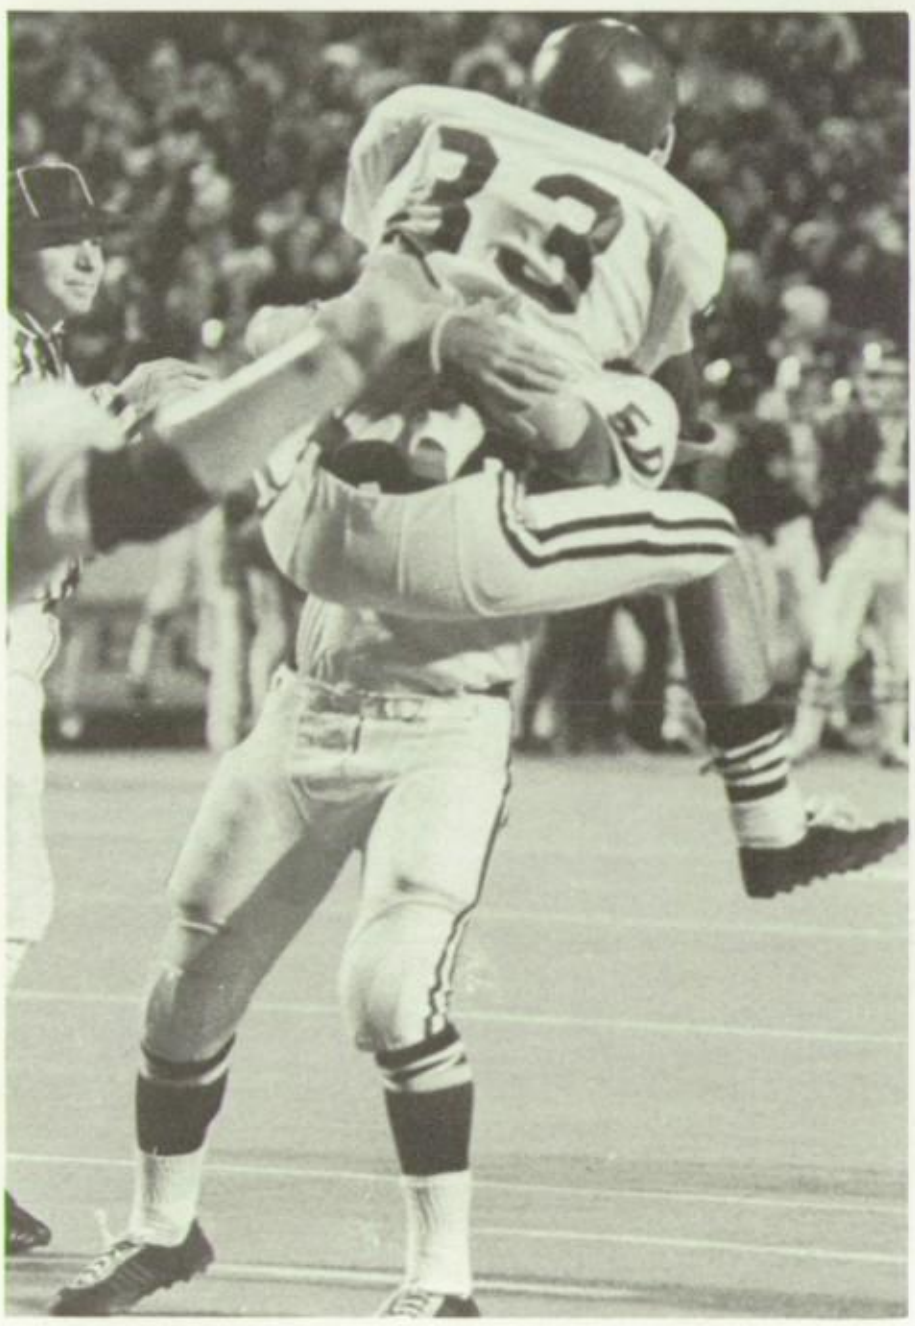
The Thrill of Victory . . .

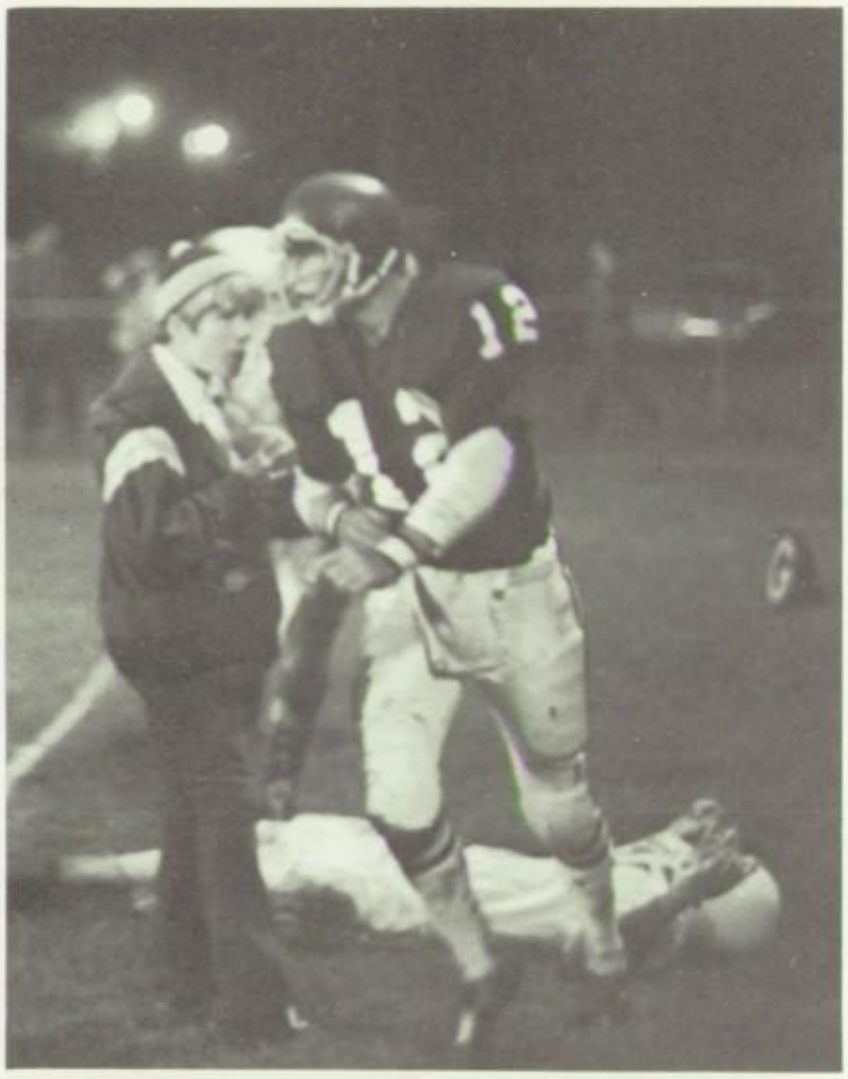


Sheer Ecstasy!

Our flag unfurls in bright array
As we look to victory.
Maroon and white reflects the might
Of our strength through unity.

May the Trojan torch burn brightly
That all may see the ray.
To the path that leads to heights unknown
Our Trojans will lead the way.

On, Ol' Jenks High
On, Ol' Jenks High
Fight right through that line.
Run the ball clear round the end
A touchdown sure this time.
Rah! Rah! Rah!
On, Ol' Jenks High
On, Ol' Jenks High
Fight on for your fame.
Fight, fellows, fight,
And we will win this game.



Dancin' in the moonlight

. . . agony of defeat.

Allrigghht nooww!!

God hath not promised skies
always blue,
Flowers-strewn pathways all
our lives through;
God hath not promised sun
without rain,
Joy without sorrow, peace
without pain.
But God hath promised strength
for the day.
Rest for the labor, light for the way,
Grace for the trials, help
from above,
Unfailing sympathy Undying
love...

DECA Creed

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation offers.

I believe in fulfilling the highest measure of service to my vocation, my fellow beings, my country and my God — that by so doing, I will be rewarded with personal satisfaction and material wealth.

I believe in the democratic philosophies of private enterprise and competition, and in the freedoms of this nation — that these philosophies allow for the fullest development of my individual abilities.

I believe that by doing my best to live according to these high principles, I will be of greater service both to myself and to mankind.

Student Council acts as a sounding board for the student body of JHS. It serves as a place where students can express wishes and desires to a fellow classmate elected to the office. Student Council sponsors dances for the student body, secures entertainment films, and hosts the annual honor roll banquet. Directing homecoming activities and overseeing all class elections are also duties of the members. A few altruistic functions include collecting foods for the Salvation Army, donating cash to charitable organizations and helping needy families.

Mrs. Sally Sitler, JHS dietician, is head of the organization with Syd Pilkington as chairman. The Youth Council expresses what they feel should be offered in the cafeteria services and menu. The salad bar, currently in use, was one result of the council members' suggestions with other proposals still being developed.

Qualifications: An awareness of an interest in the world, both past and present, and being in grade 10 or above makes a student eligible for membership in Lambda Chi. Dues are $1.50 per semester. Some members who cannot actively participate due to other extra curricular activities during one semester pay only for the semester of their participation.

Meetings: Usually on the first and fourth Tuesdays of each month after school, occasionally during an evening for a dinner or party or on Saturdays for a field trip. Lambda Chi has visited such places as Woolaroc in Bartlesville, Will Rogers' Memorial and Davis Gun Museum in Claremore, World Art Museum, Philbrook Art Center, and Gilcrease Museum.

Accomplishments: The Freedom Tree in the Oval was planted in 1973 in honor of the returned POW Captain Gayland Kramer. The tree symbolizes pride, courage, freedom, hope, and faith. West of the breezeway is a beautiful redbud tree donated by Lambda Chi in 1974. It is the hope of the club to help beautify the school's campus by planting a tree each spring.

PUBLICATIONS

This year was one of innovation for Jenks' publications. Instead of separate annual and newspaper staffs, a single publications class was responsible for the yearbook, paper, creative anthology, and senior special.

Maroon and White, the school newspaper, underwent radical changes, becoming more of a thematic magazine. The Trojan '75 annual also features a number of new ideas, incuding a new method of layout and a different handling of material. The staff is hopeful that the annual will be a reminder of the year.

NATIONAL HONOR SOCIETY

The Jenks Chapter of NHS has two main functions. The first is to honor students who have achieved academic excellence and demonstrated leadership and service to the school. Even more important is the second purpose of NHS — that is to be of service to Jenks High School. This purpose was carried out 1974-75 through the sale of book covers, the before-after school tutoring programs, the book fair, and the assistance given in welcoming new students. NHS members also served as guides to the visiting North Central evaluation team.

Survival of the fittest

In 1949, when the American car Buyer had his choice of cars like the De Soto, the Hudson or the Studebaker, two Intrepid souls bought Volkswagens. It turns out They were more farsighted than foolhardy, because Today there aren't many De Sotos, Hudsons or Studebakers around.
But there are quite a few Volkswagens. More Than three and a half million at last count
Seldom has so little come so far.
